

The Episcopal Diocese of Hawai'i

The Right Reverend Robert L. Fitzpatrick
Bishop

June 1, 2020

Sisters and Brothers in Christ:

Greetings and blessings!

The Diocesan Canon 6.7 requires that “the Committee on Necrology shall have the duty to report to each annual meeting of the Convention a list of clergy and laity who since the last annual meeting of the Convention have departed this life and shall offer suitable memorials or resolutions pertaining thereto.” Your assistance is needed to remember the faithfully departed at the 49th Annual Meeting of the Convention of the Episcopal Diocese of Hawai'i.

What are you submitting? Please submit the names of people in your church who died from [September 1, 2019 through August 31, 2020 \(inclusive\)](#). If you have nothing to report for your congregation, please send notice of such.

How to Submit a Report: This report needs to be submitted online to be included at the Annual Meeting of Convention. The Necrology Reporting Form is available at https://episcopalhawaii.formstack.com/forms/annual_meeting_necrology_submission and then scroll to the bottom of the page to “Necrology Reporting”. The link will be available September 1, 2020.

Please submit your report starting September 1, but no later than **September 17, 2020** to insure full inclusion in this year's Annual Meeting of the Diocesan Convention.

Thank you very much for your help.

Yours faithfully,

Robert L. Fitzpatrick
Bishop
