What content do we want prior to EYE23?

- Young people gathering for pre-eye meetings
- Selfies of youth/adults talking about why they are excited about eye23
- Swag items y'all are giving away

Testimonies:

- We want to capture the stories of as many people young people as possible at eye23 with diversity in mind. Please share this link with your youth to get them signed up! Sign up [here](#).
 - Things to know about testimonies:
 - This form will go live to all participants in the next few weeks
 - We want YOU to specifically make the ask for any youth representing diversity in our church and ask them to do a testimony
 - Preface to get them pumped/not so anxious about doing a testimony
 - This will be short - 5 minutes tops
 - This will be a chance to share your experience at eye with people from across our church and church leaders
 - This will be edited and include only the very best parts of what you share
 - No gotcha questions - this is really just What have you loved about EYE23? How is it helping you grow in your faith? What do you want church leaders to hear about your experience at EYE23?
