PLANNED GIVING PROGRAMS

Level 1: “Getting Started”
For a parish that is just beginning a PG effort. Although suggestions below are basically passive, they may well produce gifts from simply raising awareness.

Materials Needed: ECF brochures order here: www.episcopalfoundation.org/library/

Suggested Volunteers: No additional
Suggested Main Contact: The Rector/Churchwardens

What your parish can do:

1. Have the Rector speak about the importance of creating a will, reminding parishioners of the language in the Book of Common Prayer. Planning for the end of life can be an empowering event and an important spiritual exercise.

The Minister of the Congregation is directed to instruct the people, from time to time, about the duty of Christian parents to make prudent provision for the well-being of their families, and of all persons to make wills, while they are in health, arranging for the disposal of their temporal goods, not neglecting, if they are able, to leave bequests for religious and charitable uses. (BCP pg. 445)

2. Begin inserting notes about Planned Giving in bulletins and other appropriate mailings, including pledge cards. A tagline could be something like: “Have you remembered the church in your will (estate plans)? If you would like to speak to someone about this please contact the Rector or Churchwardens”.

3. Place ECF brochures in tract rack

If someone approaches the rector/vestry about a life income gift (charitable gift annuity, charitable remainder trust, etc.) you could direct the individual to the Episcopal Church Foundation for further information. ECF is available to help with individual donor questions as well as to support your Rector or Churchwardens on all planned giving issues.

* Rector/Churchwardens should keep track of inquiries and responses.
PLANNED GIVING PROGRAMS

Level 2: “Becoming Pro-Active”
For a church that is ready to become more pro-active in providing planned giving information and getting organized. One additional person should be designated to learn more about PG and to begin to educate others.

Materials Needed: Brochures from ECF [www.episcopalfoundation.org/library/] and sign up for the ECF Marketing Subscription service.

Suggested Volunteers: One PG volunteer
Suggested Main Contact: The Rector/Churchwardens

What your parish can do:
1. Complete steps for Program 1.

2. Join the Marketing Subscription Service for $25.00 and create a “Planned Giving Corner” in the parish bulletin; once a month include a PG article (or place on your website).

3. Sign up the PG volunteer and others to receive the free ECF donor e-newsletter.

4. Add the ECF link to your website, where people can investigate Life Income Gifts for themselves and can simulate gift illustrations with income streams.

5. Assemble a small team to review (or create) your endowment fund policies and guidelines. ECF can assist with this process and can provide useful samples. Well-publicized policies will enhance trust and confidence and, over time, bring more planned gifts to the parish.

6. Announce (or publicize the existence of) the Endowment Fund and explain how it is organized, invested, and used.

* PG volunteer should keep track of inquiries and responses for future reference and follow up.
PLANNED GIVING PROGRAMS

Level 3: “Making Regular Contact”
For churches with additional volunteers who are willing to learn some basic information about PG and who can organize a direct mail effort.

Materials Needed: See 1 & 2, response cards, initial letter, parish stationary, ECF draft policies for endowments and gift acceptance policies.

Suggested Volunteers: At least 3 volunteers to divide up tasks, in addition to PG Chair

Suggested Main Contact: PG Chair or the Rector/Churchwardens

What your parish can do

1. Complete steps for Programs 1 + 2

2. With the assistance of the Rector/Churchwardens, endowment and gift acceptance policies (samples available from ECF) should be approved and publicized in parish. These policies will enhance trust and confidence in a parish and its leadership, leading to more planned gifts.

3. Order one packet of the “Ministry of Gift Planning” brochure (25 copies). With input from Rector/Churchwardens and PG volunteers, create a list of ten to twenty individuals and send a letter (or use the Foundation’s sample letter) inviting them to learn more about planned giving by returning the response card. Place extra brochures in visible area.

4. As response cards come in, send them to the Episcopal Church Foundation, ECF can send appropriate follow-up information.

5. One month later, check in with the individuals to see if they have questions or need additional information and THANK them for inquiring.

* PG Chair should track inquiries and responses.
